

# Get Hooked

Oklahoma's vast natural resources make it a paradise for outdoor enthusiasts, especially anglers. The state's waters are home to a diverse number of fish species, including favorites like bass, crappie and catfish along with more unique species like the paddlefish. Oklahoma has more miles of shoreline than the East and Gulf coasts combined, and along the state's banks, anglers will find numerous amenities to make fishing trips easy and enjoyable.

Oklahoma hosts several fishing tournaments each year that draw big-name anglers and thousands of fans. Grand Lake O' The Cherokees and Lake Texoma, both Fishing Trail destinations, are consistently ranked among the country's best bass lakes by *Bassmaster* magazine. Grand Lake has twice hosted the Bassmaster Classic and is hosting REDCREST 2021, the Bass Pro Tour championship.

The Oklahoma Fishing Trail is designed to highlight the best of Oklahoma fishing. It's organized into six loops, one for each region of the state. Within each loop is an all-around lake and several locations selected for one or two standout species.

# Grand Slam

Want to take your Oklahoma Fishing Trail adventures to the next level? Complete the Grand Slam. All you have to do is catch the designated species, snap photos and submit them. We'll mail you an exclusive decal that you can slap on your tackle box, cooler or bumper. Visit [FishinOK.com](http://FishinOK.com) for a list of species and information on how to submit your catches.

# Licenses and Regulations

Those wishing to fish in Oklahoma waters must have a license. Licenses can be purchased online and are also available through more than 700 license dealers around the state. These dealers include sporting goods stores, bait shops, convenience stores, large discount centers and other businesses. For more information, visit [www.wildlifedepartment.com/licensing](http://www.wildlifedepartment.com/licensing). Some municipalities may also require a fishing permit.

Anglers should familiarize themselves with the state's fishing regulations. A copy of the official Oklahoma Fishing Regulations Guide can be viewed by visiting [www.wildlifedepartment.com/law](http://www.wildlifedepartment.com/law).

The Oklahoma Fishing Trail is a collaborative initiative of the Oklahoma Department of Wildlife Conservation and the Oklahoma Tourism & Recreation Department.
