

Lake Murray State Park

Experience southern comfort at Oklahoma's first and largest state park, located on the shores of beautiful, crystal-clear Lake Murray.

Enjoy the lodge, which provides the perfect meeting space, ballroom and accommodations for reunions, special events or leadership conferences. Additional lodging includes 58 park cabins for a remote experience.

Lake Murray is an outdoor adventure-seeker's dream. With more than 12,000 acres of forested rolling hills, the park features an 18-hole golf course, ATV trails, horseback riding and more. The landmark Tucker Tower sits high above the bluff, overlooking the spring-fed aqua waters of the lake. Large pavilions scattered throughout the park provide a shady gathering spot for reunions or large groups to relax, enjoy conversation and a meal cooked on the grill.

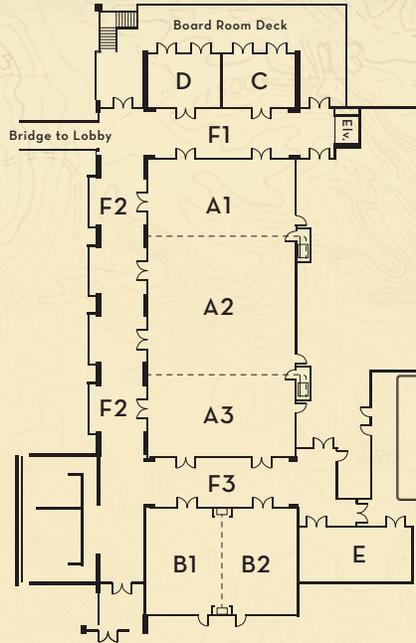

A drive through the park showcases the rich history that exists within the buildings and structures – the most visible reminders of the work accomplished by the Civilian Conservation Corps when the park was built in the 1930s. Step back into a beautiful reflection of the past and create new memories with your group at Lake Murray State Park.
