Q - How do I get a hunting or fishing license?

A - There are a wide variety of fishing and hunting licenses that range in price from \$5 for youth licenses to several hundred dollars for lifetime licenses. With three different ways to purchase a license, planning an Oklahoma fishing or hunting trip is made easy.

There is a \$3 convenience fee that is charged for each transaction. Only VISA and MasterCard are the accepted and your license can be printed from your computer when the purchase is complete.

Finally, non-residents can order licenses directly from the Oklahoma Department of Wildlife Conservation by calling (405) 521-3852. Office hours are Monday - Friday, 8:00 am to 4:30 pm Central Time and only VISA and MasterCard payments are accepted. Please allow sufficient mailing time to receive licenses.
