

Lake Eufaula State Park Yurts

Hummingbird (Hummingbird Beach Yurt):

Hummingbird is a family friendly, 20 foot yurt, immediately next to Hummingbird Beach. Even though it is a public beach, a gate closes off the entire area at night, leaving it all to you. A comfort station, disc golf course and a playground are just steps away from the yurt. The raised deck overlooks Hummingbird Beach and a quiet, peaceful cove. The yurt includes a television, mini fridge, microwave, bed linens, heating and air conditioning, a pergola with picnic table, grill and fire pit. Hummingbird sleeps six comfortably.

Rustic Retreat (Longhorn Loop Honeymoon Yurt):

Our finest yurt, Rustic Retreat, is located within the gated Longhorn Loop area under massive pine trees. This 20 foot yurt was paid for by the Friends of Lake Eufaula State Park and has romance in mind. Rustic Retreat features a beautiful queen-sized custom log canopy bed and furnishings, a pergola with a lighted deck and wrought iron furniture, fire pit and grill, perfect for that romantic cook out. The yurt includes a television, mini fridge, microwave, bed linens, heating and air conditioning and is very close to a comfort station. Rustic Retreat sleeps two.

The Overlook (Longhorn Loop Yurt):

Also within the secluded Longhorn Loop area is The Overlook, a 16 foot diameter yurt overlooking the lake. Perfect for a fishing weekend with friends or a small family getaway, this yurt includes a television, mini fridge, microwave, bed linens, heating and air conditioning, a private picnic shelter, grill and fire pit. The Overlook sleeps four.
