Eagle's Nest

Camping Fees and Policies Youth Non-Profit Organizations

Your group is welcome to Greenleaf State Park
See the information below for details on camping discounts!

By State statutes O.S. 74.1847.1(B)(3) and Title 725:30-6-1 (b)(3)...

A youth NPO is defined as an officially organized group of at least five persons whose actual members are less than 18 years of age. (i.e. Boy Scouts, Girl Scouts, Campfire, YMCA, Churches, Schools, etc.)

The basic camping charge for a Youth NPO is: One 'unimproved' tenting campsite fee per night, for each four persons in the group. (Improved campsites with utilities are available at full price only).

Formula: \$14.00 site fee x total number of people in group, divided by 4 or \$3.50/person
{Example for a group of 20 persons: \$14.00 x (20 / 4) x 2 nights = \$140.00 fee}

To receive a discount off the basic camping fee, the group must perform a significant volunteer service project in the park. The group service project must be at least two hours in length. **The service project must be pre-arranged with the park staff in advance of the coming event.** This will allow the park staff sufficient time to organize a project and gather necessary tools and material for the project. **Please contact the Park Naturalist as soon as possible after your arrival so arrangements can be made.** (Call: (918) 487-5196 or email GreenleafCabins@travelok.com to obtain contact information for Greenleaf State Park)

The Park Manager is authorized to determine the amount of discount based on the value of the project to the needs of the park. The usual discount is 50% off for one night of tent camping for the group during the weekend.

Discounts are also available on picnic shelters and swimming fees, where available, when a service project is performed by the group

Please contact park staff upon arrival at the park and before starting the project to get final instructions and to fill out the volunteer contract, which is mandatory to get the discount.
