

Lake Murray

STATE PARK

Experience southern comfort at Oklahoma's first and largest state park located on the shores of beautiful Lake Murray.

Enjoy the lodge, which provides the perfect meeting space, ballroom and accommodations for reunions, special events, or leadership conferences. Additional lodging includes fifty-seven park cabins for a remote experience.

Lake Murray is an outdoor adventure-seeker's dream. With more than 12,000 acres of forested rolling hills, the park features an 18 hole golf course, ATV trails, horseback riding and more. The landmark Tucker Tower sits high above the bluff overlooking the spring-fed aqua waters of the lake. Large pavilions scattered throughout the park provide a shady gathering spot for reunions or large groups to relax, enjoy conversation and a meal cooked on the grill.

A drive through the park showcases the rich history that exists within the buildings and structures - the most visible reminders of the work accomplished by the Civilian Conservation Corps when the park was built in the 1930's. Step back into a beautiful reflection of the past and create new memories with your group at Lake Murray State Park.

ACTIVITIES/ATTRACTIONS
