We want to thank you for eating at the Lokal Yukon! Our goal with this place was to create a restaurant that represented the great state of Oklahoma. One of the best things about our state is the people, who are affectionately known as "Okies". The recipes you are tasting are a tribute to the people and cuisine that has been a standard here since the beginning. In fact, we call the food that makes up our menu, "Okie Cuisine". So, enjoy your time with us and come back soon!
