Effective October 1, 2018, Oklahoma State Park golf courses will no longer sell beer. We are now obliged and pleased to permit our golf course customers the opportunity to bring their own alcoholic beverages. In light of this, these rules must be acknowledged:

- Glass containers are not permissible.
- Personal coolers must be of a size that only allows a maximum of 12 cans and should be able to fit discreetly in the baskets provided.
- While consumption is not regulated, your actions will be. Please respect the course and your fellow golfers.

For added convenience, the golf course pro-shop has coolers available for you to borrow while you are a guest at the course. Coolers may not be removed and must be returned after use.
