Tailpipe Events is excited to announce that we will be holding our Spring Classic & Collector Car Auction in Enid Oklahoma on Saturday March 30th 2019. The auction will be held indoors in the Chisholm Trail Expo Center located at the Garfield County Fairgrounds (111 West Purdue Ave Enid, OK).

Friday March 29th beginning at 2:00 pm offers you a chance to preview the auction entries as they arrive. About 100 classic and collector vehicles are expected to cross the auction block featuring Classics, Collector, Muscle, Exotics & Rods. We are also doing a little something special for this event. A donation will be made by us for every vehicle sold to benefit an amazing little 3 year old car guy named Riley. His story can be found on our website.

Saturday March 30th kicks off the classic car auction beginning at 12:00 noon (CST). We'll have a little of everything from show cars to drivers to restorable vehicles just waiting for the right owner to take them to the next level. Our classic car auctions feature No Bidder Registration Fees & a low 5% buyers' premium so you can bid with confidence.

If you cannot attend in person, we will be providing a link via our website at www.tailpipeevents.com which will allow you to bid live online during the actual auction for an additional online service fee. You may register to bid by calling our office or by visiting our website to download the bidder packet. We'll be posting the preliminary auction catalog soon and we shall continually add new auction entries as they are registered, so keep checking our website for the latest updates.
