Christmas Town

Surround yourself with holiday cheer this season at Christmas Town. Enjoy a horse drawn wagon and stories of Christmas past.

The wagon ride features historical characters along the trail ride celebrating Christmas. Other activities include carolers singing favorite holiday songs at the gazebo, decorating a Christmas cookie or a Christmas ornament to take home.

It's all a board for the Christmas train and whisper a Christmas wish in Santa's ear at the historic Garside House!

Complimentary warm beverages will be offered.

Concession will be available for purchase.
