About Natural Falls State Park

Located near the Oklahoma/Arkansas border in the scenic Ozark Highlands region of northeast Oklahoma, Natural Falls State Park features a stunning 77-foot waterfall cascading through rock formations and creating a hidden, serene atmosphere at the bottom of a narrow V-shaped valley. The beautiful scenery may look familiar to visitors because scenes from the 1974 movie, "Where the Red Fern Grows" were filmed in the park.

Book the Reunion Center at TravelOK.com or by calling the Park Office at (918) 422-5802.
