

Stay in a Yurt!

at Natural Falls State Park

What is a Yurt?

Year-round **Universal Recreational Tent**

Yurts are basically giant, portable, circular tents! If you were to look it up in the dictionary, the actual definition is “a circular tent of felt or skins on a collapsible framework, used by nomads in Mongolia, Siberia, and Turkey.” They have come a long way and become a camping staple.

Make your trip even better with an overnight stay in one of the park's five yurts, which can be reserved online. Each yurt sleeps between four and six people and comes with a microwave, dorm fridge, ac/heat, ceiling fan, light, electrical outlets, dining table and four chairs, k-cup coffee maker, and a broom/dustpan.

The **four-person** yurts have one queen-sized bed and one futon, while the **six-person** yurts have two sets of bunk beds, each with a queen and twin mattress. All mattresses are vinyl covered, and guests are welcome to bring their own linens or rent bedding from the park. Shower and restroom facilities are a short walk away, and portable lavatories are located adjacent to the yurts for convenience. Outside, each yurt offers a picnic table, charcoal barbecue grill, fire ring, and lantern hanger. Pets are welcome for an additional fee.
