Touch the Truck

MONDAY OCTOBER 31ST 3:30-5:30PM

MAIN STREET
ARDMORE, OK

HOSTED BY
ARDMORE MAIN STREET AUTHORITY
101 W. MAIN ST.
580.226.6246

Dear Community Leaders,

We need your help hosting our downtown Trick or Treat & TouchThe Truck. We would love to make this event a community wide event. This event continues to grow each year and provides a safe place for families to bring their children to Trick or Treat. We have recently added Touch the Truck, just another feature to the event. This allows children to interact with different types of vehicles such as fire trucks, ambulances, dump trucks, and more. We would love to continue to build on this event and have more community partners join in on the fun of Halloween downtown in Ardmore's Depot District.

We would like to extend an invitation for you to set up a booth/table and hand out candy representing your business/organization or bring a truck/vehicle to downtown for kids to interact with. We would greatly appreciate your participation in our downtown Trick or Treat & Touch the Truck event!

If you choose to participate in Touch the Truck we ask that you arrive by 2:30pm so that we can have you lined up and ready to go by 3:00pm. We suggest putting a sign out with your vehicle advertising your business or organization. Suggested signage could say "Rent this dumptruck today call 226-xxxx," or just a sign with your business name and info. I mean who doesn't love free advertising? This event brings in no less then 3000 people and each year it has grown. What a great way to showcase your business!

Should you choose to handout candy we ask that you bring a table, chair, & candy/handouts & be set up no later than 3:00pm. Location assignments will be given prior to the event and will be emailed out to you. Location may also be given when you arrive at the event. We anticipate at least 3000 people at this event something to consider when purchasing candy or handouts for your booth. Should you have more questions please do not hesitate to reach out to us via email or phone.

Thank you again for your participation in our Depot District Trick or Treat. This event would not continue to grow without our communities participation. Thank you again for your participation and for donating your time to our downtown community event!

We look forward to a fun Trick or Treat & Touch the Truck event!
