Dry Wine	Flavor	Like it - Love it - Take it Home
<i>Cabernet Sauvignon</i>	We use Grapes from Columbia Valley in Washington. Cabernet Sauvignon's aromas of black currant and aged cedar with flavors of dark cherry make it an inviting and full-body wine that pairs very well with grilled steak and veggies and garlic mashed potatoes.	1 2 3 4 5
<i>American Merlot</i>	American Merlot is a medium- to full-body, dry red wine with aromas of cherry and subtle notes of strawberry. Couple this wine with a grilled flank or skirt steak with chimichurri sauce.	1 2 3 4 5
<i>Cimarron Red</i>	Medium-bodied Bordeaux Style wine with ripe berry overtones. Semi-dry, aromas of cloves and raisins. Enjoy this blend with candied bacon or your favorite cheddar cheese.	1 2 3 4 5
<i>Pinot Grigio</i>	The clean and simple flavors of our Pinot Grigio make it a very popular dry white wine. Its flavors of pear and citrus make it a crowd pleaser!	1 2 3 4 5
<i>Chardonnay</i>	Our unoaked Chardonnay is a wine that yields a cleaner and crisper taste than contrasting oaked offerings. Our Chardonnay is ideal with grilled salmon with pasta and light tomato.	1 2 3 4 5
<i>Concord Grape Juice</i> <i>Red Muscadine</i> <i>White Muscadine</i>	<p>These true-fruit juices are 100% grape juice; no water or sugar is added. Pasteurized and shelf stable, they only need refrigeration after opening. The sweet intensity of Red Muscadine juice makes it an amazing mixer for fresh sodas, punches or cocktails. White Muscadine Juice is a delicious substitution for part of the recipe liquid in muffins or cakes. Concord juice is tart and sweet, best served chilled</p>
