

HOW MANY PIECES DO I NEED TO BE A VENDOR?

There is no minimum or maximum number of pieces for vendors. Each vendor will get a 6' banquet table and if they need to bring additional tables of their own they need to let the planner know so available floor space can be considered. If you have a lot, going vertical is very helpful to maximize your table—think lifts, cakestands, and wooden boxes to make a second level work great! Be sure it is stable!!

WHAT WILL I FIND AT THE EVENT?

In addition to a wonderland of vintage Pyrex, you will find vintage kitchen items of all types, Hazel Atlas, Federal, McKee, Corningware, Corelle, and darling vintage figures that work into Pyrex display. Sometimes some folks who make shirts, totes, and other items with Pyrex images on them come to sell their Pyrex graphic items. Vintage kitchen tools, aprons, and linens find their way into Pyrex swaps. Every show, every year, every city will be different.

WHAT SHOULD I BRING AS A SHOPPER?

Cash—in small bills! Some vendors will have credit card processing from their phone, some will have PayPal/Venmo, but cash is king, and CC processing has a fee for the seller so their price could be lower to you if it is a cash sale. You might need to have exact change if your seller has run out of small bills so—come prepared.

A small wagon or cart if you plan on buying several things so you don't have to carry it and your hands are free to look (instead of a cart, friends, teens, and spouses are great for this!) A box to easily carry your items; Paper to wrap your items safely; We HAVE asked vendors to bring boxes/bags and paper, but if they run out, you might have a necked bowl to protect.

IF I HAVE TO BE SOMEWHERE ELSE THAT MORNING,

CAN I JUST POP IN QUICKLY TO SHOP BEFORE THE EVENT OPENS?

Nope. The venue will not open to the public prior to 10:15 am. There will be NO early bird access.

WHAT SORT OF VENUE IS “THE BRIEFCASE”?

It is a lovely historic building that is used for events locally. It is temperature controlled, has bathrooms, it is carpeted. It is very comfortable and clean.
